Dear Mr Stallwood,

Re: PP/15/04878

Please turn down this proposal to demolish the Sutton Estate on Cale Street to replace it with a mixture of social and private flats, houses and shops. It should not be permitted. It is contrary to RBKC's Core Strategy.

The estate should be refurbished rather than rebuilt. We do not want to lose social housing flats for people who cannot afford private housing, and we need the sheltered housing provided on the estate.

Yours sincerely,

.....
